5. Useful information

- a) Always show your multiday cards to the driver and/or scan it before entering
- b) When entering the MTR, the black line on one side of your ticket should be facing the floor. Ticket will be “eaten” and given back in a second place – at the top of the machine
- c) Do not throw out your ticket until you are sure you will not interchange between the trains! Especially when interchanging between RER and MTR you need to cross the gates twice – each time using the ticket
- d) On the busses – you can buy single tickets with the bus drivers
- e) Metro is colour and number coded – it is one of the most helpful information there
- f) Watch out for automatic exterior doors at the stations and pick pocketers
- g) **Rent a bike** possible through Velib website
 - Prices: 1 day - 5€, 7 days - 15€, Without pass - 1€/30min
